  Hasu Restaurant Bruchsal

Our journey begins with inspiration. What follows is a long path full of challenges and experiences, which ultimately leads to perfection in the Sushibar Hasu in Bruchsal.

Our motto is: The journey is the destination. With our first sushi restaurant, we have embarked on this path to reach a new goal with Hasu in Bruchsal: the perfection of Japanese culinary art. This perfection is reflected in our cuisine, our service, and the authentic, traditional ambiance that harmoniously unites the five elements – water, earth, wind, fire, and aether.
